Recommended DCI Action: Disapprove.

Inspector General's Statement

Recommended that:

The DD/P and the Director of Communications review the need for four special support communications officers in 25X1A6a [REDACTED] with the view of reducing the staff to two and maintaining the equipment in readiness.

DD/P Comment

25X1A6a

Non-concur. The [REDACTED] special support operation is considered extremely valuable by Headquarters and its customers. Contrary to any thought of reducing the personnel engaged in this operation we are negotiating to strengthen the operation in terms of personnel.
